Internship Site Information:

Project REAL, a 501(c)3 non-profit organization, was created in 2005 to meet the challenge of teaching K-12th grade Nevada students the importance of the law. Our goal is to prepare Nevada’s children to become involved, participating citizens who understand their social responsibilities and rights. We offer a variety of programs that give students of all ages the opportunity to explore our judicial system, examine current controversial issues and the rights and responsibilities of citizenship.

As a volunteer/intern you will be assisting in the everyday office and company needs, while also participating as a tour leader in our "Your Day in Court" program. As a volunteer in our organization you will assist the Northern Nevada Coordinator in managing and guiding court tours for 7th- 12th graders at the State and Federal Courts in Reno, NV. Our tours will be held in the mornings during the normal business week. There could also be rare opportunities to take part in tours at the Nevada Supreme Court in Carson City, NV.

You will be interacting a great length with young students and teachers from the Washoe County School District, while gaining valuable skills as a leader to these students.
