Children’s Advocacy Alliance has various projects going on at any given point in time.

The Children’s Advocacy Alliance (CAA) is a statewide nonprofit organization that mobilizes people, resources and reason to ensure every child has a chance to thrive and to make Nevada a better place to live and raise a family.

CAA advocates for the well-being of Nevada’s Children. We bring people together to build consensus around priorities and to leverage our collective strength toward real changes in policy and practice. Our organization collects, analyzes and shares research and information with people who make decisions impacting Nevada’s children and families. We believe in building public will through education, outreach, and advocacy to solve expansive and chronic problems facing kids and families.
