How to Use This Guide

Be proactive and start planning early! This guide contains information about the courses offered in the Auckland/ Palmerston North/ Wellington, New Zealand program. Students studying in New Zealand have access to the full curriculum at Massey University and will be taking courses with locals as well as other international students from around the globe.

This guide, along with your Academic Advising Report and the USAC catalog, provides the tools you need to plan and apply for a program. Involve your major/minor advisor as you choose a program and prepare for your time abroad so you do not prolong graduation. Course descriptions, photos, and more detailed descriptions of the program are available at usac.unr.edu.

Top Reasons to Study Abroad

You will:
• gain new life experiences
• become more independent and flexible
• explore a new culture and live like a local
• broaden your worldview and find new perspectives
• make lifelong friends from around the world
• find out what is beyond your borders

This academic experience will enable you to:
• earn Massey University credit
• learn a language
• fulfill major and minor requirements
• learn from foreign experts in your field
• supplement your major by selecting courses not offered on campus

What’s the Next Step?

1. Meet with a study abroad peer advisor in the USAC office
2. Meet with your major/minor advisor to go over your long-term plans and your goals for study abroad
3. Consult the USAC catalog or website as you research your program options
4. Complete your application by the deadline
5. Apply for or renew your passport
6. Attend information sessions and workshops on topics such as financial aid, visas, and other useful information (ask the USAC office for more information).
7. Start packing!

*Courses are subject to availability and approval of prerequisites, which are determined by the Massey University.
Internships

Internships are provided under supervision from Massey University and are available for communications, media studies, and journalism students. The internship is a paper (course) you register for, worth 15 New Zealand credits, and would be one of the four papers you take in a given semester. Candidates need to be seniors majoring in communications, public relations, advertising, media studies, or a related area with a minimum 3.0 GPA. To apply, you must submit a resume that details your relevant skills with your Massey application materials.
