

Regulations for Determining Residency for Tuition

Regulations for Tuition Charges

The Office of Admissions and Records is responsible for determining, for tuition purposes, the residence status of students enrolled at the University of Nevada, Reno.

Each student claiming legal residence in Nevada must submit an Application for Resident Fees. Recent Nevada high school graduates, whose parents' permanent address is listed as being in Nevada, are exempt from this procedure.

Information and application forms are available upon request in the Office of Admissions and Records and online at <http://www.ss.unr.edu/records/forms.asp>.

The following regulations are Board of Regents' policy for all institutions in the Nevada System of Higher Education. These regulations are subject to change. Changes become effective immediately upon Board of Regents adoption.

Title 4—Codification of Board Policy Statements

CHAPTER 15—REGULATIONS FOR DETERMINING RESIDENCY AND TUITION CHARGES

Section 1. Purpose

These regulations have been enacted to provide uniform rules throughout the Nevada System of Higher Education (the "System") and all member institutions thereof, for the purpose of determining whether students shall be classified as resident students or nonresident students for tuition charges. (B/R 5/95)

Section 2. Definitions

For the purposes of these regulations, the terms stated below shall have the following meanings:

1. "Alien" means a person who is not a citizen of the United States of America.
2. "Armed Forces of the United States" means the Army, the Navy, the Air Force, the Marine Corps and the Coast Guard, on active duty and does not include the National Guard or other reserve force, with the exception of active members of the Nevada National Guard. (B/R 3/04)
3. "Clear and convincing evidence" means evidence that is clear in the sense that it is not ambiguous, equivocal or contradictory and convincing in the sense that it is of such a credible, reliable, authentic and relevant nature as to evoke confidence in the truth of it.
4. "Continuously enrolled" means enrollment within a normal academic year for which continuous enrollment is claimed. A person need not attend summer sessions or other between-semester sessions in order to be continuously enrolled.
5. "Date of matriculation" means the first day of instruction in the semester or term in which enrollment of a student first occurs, except that at the University of Nevada School of Medicine it means the date that a notice of admittance is sent to a student, and at the community colleges it excludes correspondence courses and community service courses that are not state funded. A person who enrolled in an institution of the Nevada System of Higher Education but withdrew enrollment during the 100% refund period may, for the purposes of these regulations, be deemed not to have matriculated and any determination concerning residency status shall be voided until such time as the person again enrolls at a System institution.
6. "Dependent" means a person who is not financially independent and is claimed as an exemption for federal income tax purposes under Section 152 of the Internal Revenue Code (26 U.S.C. § 152) by another person for the most recent tax year.

8. "Financially independent" means a person who has not been and will not be claimed as an exemption for federal income tax purposes under Section 152 of the Internal Revenue Code (26 U.S.C. § 152) by another person, except his or her spouse, for the most recent tax year.
9. "Most recent tax year" means the income tax return submitted for the prior income year.
10. "Legal guardian" means a court-appointed guardian of a dependent person, who was appointed guardian at least twelve (12) months immediately prior to the dependent person's date of matriculation and for purposes other than establishing the dependent person's residence.
11. "Nonresident" means a person who is not a resident.
12. "Objective evidence" means evidence that is verifiable by means other than a person's own statements.
13. "Relocated," means evidence of permanent, full-time employment or establishment of a business in Nevada prior to the date of matriculation.
14. "Residence" a term which for the purposes of these regulations is synonymous with the legal term "domicile," and means that location in which a person is considered to have the most settled and permanent connection, intends to remain and intends to return after any temporary absences. Residence results from the union of a person's physical presence in the location with objective evidence of an intent to remain at that location for other than a temporary purpose.
15. "Resident" means a person who has established a bona fide residence in the State of Nevada with the intent of making Nevada the person's true, fixed and permanent home and place of habitation, having clearly abandoned any former residence and having no intent to make any other location outside of Nevada the person's home and habitation. The term also includes a member of the Armed Forces of the United States who has previously established a bona fide residence in the State of Nevada, but who has been transferred to a military posting outside of Nevada while continuing to maintain a bona fide residence in Nevada. When residence for a particular period is required under these regulations, this shall mean that the person claiming residence for the period must be physically present and residing in Nevada during all of the period required, excluding temporary, short-term absences for business or pleasure.

1. Tuition shall never be charged to current enrollees or graduates of a Nevada high school.

2. Tuition shall not be charged to returning students who had established an exemption from tuition charges at any NSHE institution in their prior enrollment period.

 6. Tuition shall not be charged to a member of the Armed Forces of the United States, on active duty, stationed in Nevada as a result of a permanent change of duty station pursuant to military orders, or a person whose spouse, family or legal guardian is a member of the Armed Forces of the United States stationed in Nevada as a result of a permanent change of duty station pursuant to military orders, including a Marine currently stationed at the Marine Corps Mountain Warfare Training Center at Pickle Meadows, California. If the member ceases to be stationed in Nevada, reside Nevada, be stationed in Pickle Meadows, California, or be domiciled in Nevada, the spouse, child or legal guardian of the member shall not be charged tuition if the spouse, child or legal guardian of the member was enrolled prior to the reassignment and remains continuously enrolled at an NSHE institution.

 9. Tuition shall not be charged to members of federally recognized Native American tribes, who do not otherwise qualify as Nevada residents, and who currently reside on tribal lands located wholly or partially within the boundaries of the State of Nevada. (B/R 8/04)

2. Except as provided otherwise in this section, a financially independent person whose family resides outside the State of Nevada, if the person himself or herself is a bona fide resident of the State of Nevada for at least twelve (12) months immediately prior to the date of matriculation. Some or all of the following pieces of objective evidence of Nevada residency may be required with the student's application for enrollment: (B/R 6/05)
Evidence of twelve months physical, continuous presence in the State of Nevada prior to the date of matriculation (examples of evidence include a lease agreement, rental receipts, utility bills) . (B/R 6/05)

The student's Nevada voter registration issued 12 months prior to the date of matriculation.

 3. A former member of the Armed Forces of the United States who was relocated from Nevada as a result of a permanent change of duty station pursuant to military orders will be considered a Nevada resident for tuition purposes under the following conditions:
He/She was a resident of Nevada prior to leaving the state as a member of the Armed Forces;
He/She maintained his/her Nevada residency while a member of the Armed Forces; and
He/She returns to the State of Nevada within one year of leaving the Armed Forces.
It will be necessary for the student to supply documentation in support of each of these conditions (e.g., driver's license, property ownership, evidence of absentee voting, etc.)

Section 4. Resident Students

As supported by clear and convincing evidence, any person to whom one of the following categories applies shall be deemed a resident student for tuition purposes:

1. Except as provided otherwise in this section, a dependent person whose spouse, family or legal guardian is a bona fide resident of the State of Nevada at the date of matriculation. Some or all of the following pieces of objective evidence of Nevada residency may be required with the student's application for enrollment:
Evidence of Nevada as the spouse's, parents' or legal guardian's permanent, primary residence at the date of matriculation (examples of evidence include home ownership, a lease agreement, rent receipts, utility bills).
The student's birth certificate or proof of legal guardianship.

An alien who has become a Nevada resident by establishing bona fide residence in Nevada and who holds a permanent immigrant visa, or has been granted official asylum or refugee status, or has been issued a temporary resident alien card, or holds an approved immigration petition as a result of marriage to a U.S. citizen. An alien holding another type of visa shall not be classified as a resident student, except as may be required by federal law or court decisions and upon due consideration of evidence of Nevada residence. (B/R 6/02) (B/R 6/05)

Section 8. Reclassification of Nonresident Status

There is a rebuttable presumption that a nonresident attending an institution of the Nevada System of Higher Education is in the State of Nevada for the primary or sole purpose of obtaining an education. Therefore, a nonresident who enrolls in an institution of the System shall continue to be classified as a nonresident student throughout the student's enrollment, unless and until the student demonstrates that his or her previous residence has been abandoned and that the student is a Nevada resident. Each student seeking reclassification from nonresident to resident student status must satisfy the following four conditions:

1. **Application and Written Declaration**
The student must apply in writing to the appropriate Records Office of the institution for reclassification to resident student status. The application must include a written declaration of intent to relinquish residence in any other state and to certify to the establishment of bona fide residence in Nevada. A declaration form prescribed by the Chancellor and approved by the Board shall be utilized by each institution. The filing of a false declaration will result in the payment of nonresident tuition for the period of time the student was enrolled as a resident student and may also lead to disciplinary sanctions under Chapter Six of the Nevada System of Higher Education Code. Disciplinary sanctions include a warning, reprimand, probation, suspension or expulsion. (B/R 02/05)
2. **Bona fide Residence in Nevada**
The student, or the parents or legal guardian of the student, must document continuous physical presence as a Nevada resident for at least twelve (12) months immediately prior to the date of the application for reclassification. No fewer than four (4) of the following pieces of objective evidence must be submitted with the application for reclassification:
Ownership of a home in Nevada.
Lease of living quarters in Nevada.
Mortgage or rent receipts and utility receipts for the home or leased quarters.
Nevada driver's license or Nevada identification card issued twelve (12) months prior to the date of application.
Nevada vehicle registration issued twelve (12) months prior to the date of application.
Nevada voter registration issued twelve (12) months prior to the date of application.
3. **Financial Independence**
The student must provide evidence of financial independence. A dependent person whose family or legal guardian is a nonresident is not eligible for reclassification to resident student status. The following piece of objective evidence must be submitted with the application for reclassification:
A true and correct copy of the student's federal income tax return for the most recent tax year showing a Nevada address. If no federal tax return has been filed because of minimal or no taxable income, documented information concerning the receipt of such nontaxable income must be submitted. If the student is under the age of 24, a copy of the parent's or legal guardian's tax return for the most recent tax year must be submitted that indicates the student was not claimed as a dependent.
4. **Intent to Remain in Nevada**
The student must present clear and convincing, objective evidence of intent to remain a Nevada resident. No fewer than three (3) of the following pieces of objective evidence must be submitted with the application for reclassification:
Employment in Nevada for twelve (12) months immediately prior to the date of the application for reclassification;
A license for conducting a business in Nevada;
Admission to a licensed practicing profession in Nevada;
Registration or payment of taxes or fees on a home, vehicle, mobile home, travel trailer, boat or any other item of personal property owned or used by the person for which state registration or payment of a state tax or fee is required for the twelve (12) month period immediately prior to the date of the application;
A Nevada address listed on selective service registration;
Evidence of active savings and checking accounts in Nevada

- financial institutions for at least twelve (12) months immediately prior to the date of the application;
Evidence of summer term enrollment at a NSHE institution;
Voting or registering to vote in Nevada; or
Any other evidence that objectively documents intent to abandon residence in any other state and to establish a Nevada residence.
5. The presentation by a person of one or more items of evidence as indicia of residence is not conclusive on the issue of residency. Determinations of residence shall be made on a case-by-case basis and the evidence presented shall be given the weight and sufficiency it deserves, after taking all available evidence into consideration.
 6. Because residence in a neighboring state other than Nevada is a continuing qualification for enrollment in the Good Neighbor, Children of Alumni, or WICHE's Western Undergraduate Exchange Programs at a NSHE institution, a student who was initially enrolled in a System institution under any of these discounted tuition programs shall not normally be reclassified as a resident student following matriculation. A nonresident student who subsequently disenrolls from the Good Neighbor, Children of Alumni, or WICHE's Western Undergraduate Exchange Programs and pays full nonresident tuition for at least twelve (12) months may apply for reclassification to resident student status. An application for reclassification may also be submitted under the provisions of this section if the material facts of a student's residency, or the parents' or legal guardian's residency, have substantially changed following matriculation.
 7. When a student has been reclassified to resident student status, the reclassification shall become effective at the registration period in the System institution immediately following the date the student receives notice of the reclassification decision.
 8. No reclassification under these regulations shall give rise to any claim for refund of tuition already paid to the Nevada System of Higher Education. (B/R 8/04)

Section 9. Administration of the Regulations

Each institution of the Nevada System of Higher Education shall designate an appropriate office to implement and administer these regulations.

1. Each designated office shall make the initial decisions on the resident or nonresident student status of persons enrolling in the institution
2. Each designated office shall make the initial decisions on applications for reclassification from nonresident to resident student status.
3. The President of each System institution shall establish an appellate procedure under which a person may appeal decisions of the designated office concerning tuition or status as a resident or nonresident student to an appellate board.
A person may appeal a decision of the designated office to the appellate board within thirty (30) days from the date of the decision of the office. If an appeal is not taken within that time, the decision of the designated office shall be final.
The appellate board shall consider the evidence in accordance with the standards and criteria of these regulations and shall make a decision that shall be final. No further appeal beyond the appellate board shall be permitted.
4. In exceptional cases, where the application of these regulations works an injustice to an individual who technically does not qualify as a resident student, but whose status, either because of the residence of the student or his family, is such as to fall within the general intent of these regulations, then the appellate board shall have the authority to determine that such a student be classified as a resident student. It is the intent of this provision that it applies only in the infrequent, exceptional cases where a strict application of these regulations results, in the sole judgment of the appellate board, in an obvious injustice. (B/R 8/04)

Section 10. Uniformity of Decisions

The decision of an institution of the Nevada System of Higher Education to grant resident student or nonresident student status

to a person shall be honored at other System institutions, unless a person obtained resident student status under false pretenses or the facts existing at the time resident student status was granted have significantly changed. Students granted nonresident student status by an institution retain the right to apply for reclassification under the provisions of the chapter. (B/R2/05)

(B/R 2/05 – reorganization)

Tuition Classification Information

Your initial residency classification is determined from the information you supply on your application for admission to the university. You may file a petition if you wish to contest out-of-state classification status or if you feel that you have subsequently become eligible for in-state status. Until a decision has been made on your residency, you will be considered a non-resident. If your petition is denied, you may appeal to the University Residency Appeals Board within thirty days. If you do not appeal within the thirty day period, the decision of Admissions and Records is final. If you do file an appeal with the University Residency Appeals Board, the decision of that board is final. There is no further appeal beyond this board.

The fact that you do not qualify for in-state status in any other state does not guarantee in-state status in Nevada, because residency status is governed by Board of Regents policy. Residency classification for tuition purposes clearly places the burden of proof upon you to provide clear and convincing evidence of eligibility.

Information submitted to qualify for in-state classification is subject to independent verification. Individuals submitting false information or falsified supporting documents are subject to both criminal charges and university disciplinary procedures.

Appealing a Residency Decision

A student may appeal the decision for residency classification made by the Office of Admissions and Records. This appeal must be filed with the Residency Appeals Board within thirty days of the decision of Admissions and Records. If the appeal is not filed within this time frame, the decision of the Office of Admissions and Records becomes final.

Please contact the Office of Admissions and Records for instructions regarding the appeals process. Decisions of the Appeals Board are final.

There is no further reconsideration beyond this board.

Regulations for Reduced Nonresident Tuition

On Feb. 23, 1990, the University of Nevada Board of Regents approved the following policy to be effective beginning with the 1990 fall semester:

Children of University of Nevada, Reno Alumni*:

Children of University of Nevada, Reno alumni, who graduated with a baccalaureate degree, and who reside outside the state of Nevada, are eligible for reduced nonresident tuition upon

application, when enrolling in undergraduate studies only at the university.

On Jan. 26, 1988, the University of Nevada Board of Regents approved the following policy to be effective beginning with the 1988 fall semester:

Good Neighbor Nonresident Tuition Policy*:

A graduate of a high school or community college in a California county, bordering on Nevada, may be charged reduced nonresident tuition when enrolling at NSHE institutions. Furthermore, an individual who resides in a qualifying county, and who has maintained a legal, bona fide, resident status for a period of at least 12 consecutive months prior to the first day of the semester in which enrollment is sought, may also be charged reduced nonresident tuition.

The policy is effective for each qualified student who is approved for admission and enrollment effective for the next semester. Students approved under this policy are ineligible for any claim for refund of nonresident tuition already paid to the University of Nevada, Reno.

The list of approved Good Neighbor counties includes: **California:** Alpine, El Dorado, Inyo, Lassen, Modoc, Mono, Nevada, Placer, Plumas, San Bernardino and Sierra counties.

Application forms are available upon request from the Office of Admissions and Records, Fitzgerald Student Services Building.

Western Undergraduate Exchange (WUE)*:

Students who claim residence in a state that participates in the Western Undergraduate Exchange may be eligible to attend the university at reduced tuition cost.

Incoming freshman with a 3.0 academic grade point average in the required courses for admission (English, Math, Science, and Social Science) or transfer students with a minimum of 24 transferable semester credits and a 3.0 cumulative grade point average qualify for participation in WUE.

To be considered for the WUE program students must apply by February 1 for the fall semester or November 1 for the spring semester. Students applying after the above dates will be considered on a space available basis. Students accepted into the WUE program at the University of Nevada, Reno will receive the discounted WUE tuition rate for a maximum of four years as intended by the original agreement.

Students requesting more than four years participation in the WUE program can petition the director of admissions.

For further information, contact the Western Interstate Commission for Higher Education (WICHE) office in your state. In Nevada, contact the WICHE office at 784-4900.

*** Students who attend the university in a Good Neighbor, WUE or Alumni reduced tuition program shall not be reclassified as a resident student unless the student has been subsequently enrolled as a non-Good Neighbor, non-Alumni or non-WUE non-resident student for at least 12 months immediately prior to date of application for reclassification to resident student status.**
