## What is Luck? The Role of Luck in Knowledge, Responsibilities and Poker

In a series of recent books the issue of luck has become a “hot” topic in philosophy. Reviewing

works by Nicholas Rescher, Duncan Pritchard, Thomas Nagel, & Alfred Mele, this talk will examine the role of luck in human knowledge, moral responsibility, and in Texas Hold ‘Em Poker.

Particular attention will be paid to the role of value in the understanding and analysis of the phenomena of luck.
