

## Hoja – Capítulo 6

For each word, underline the tonic syllable based on how we pronounce it. THEN:

- 1) Transcribe the word with its tonic syllable accented.
- 2) Write a written accent on the words that require one.
- 3) Label it as llana or aguda.

- |                                      |              |
