What did you like most and least about this workshop?

- Today we were able to check out WebQuests and process where and how we should present to our own staff.
- Least – Distance traveled
Most – Very informative
- Most – Time to think about our 1st training
Most – Hearing what everyone else had to say
Least – The drive
- I got a better understanding of WebQuest
- Questions were answered. Much better understanding of WebQuest
- Most – Sharing of IDEAS
Least – I was hoping to learn by doing – how to create a WebQuest
- Location (central)
- Hands on help by instructor

What other workshop topics would you like to see offered by C-NET-C district trainers?

- Web software to create Web pages
- Hardware and software exposure to know how to best utilize money
- Web authoring software that can be used not only on PCs but also on Macs.
- Multimedia presentations
- Doing/using technology in a one-computer classroom. Hardware issues.

- Help with creating Web pages simply.

Comments (Please feel free to continue on the back of this page.):

- CDs LaMont gave us have tons of info. Thanks.
- I enjoy learning this and feel the rest of our staff will also.
