Faculty Demography 2006: Section II

Academic Faculty by College, 2006

The following tables review: (Tables A) the tenure status, and (Tables B) academic rank of the academic faculty in each college or school. All tables focus on gender (by race or ethnicity) and the attribute of tenure status or academic rank. To illustrate the pattern of faculty growth, each faculty is divided by 5 rows based on individual hire dates.

The last four rows have relevance to career milestones for most academic faculty:

(Row 1) "Current" includes all academic faculty for the college

(Row 2) "Before 7/1/2000" includes those hired more than 6 years ago

(Row 3) "After 7/1/2000" includes those hired during the last 6 years (rows 2+3=row 1)

(Row 4) "After 7/1/2003" includes those near or at third year review

(Row 5) "10/1/05—9/30/06" includes those hired in the current year based on the Affirmative Action definition of the most recent hiring cycle.
