

## **CEDS Topical Conference Exhibitor Information**

The CEDS Annual Conference being held in Philadelphia, PA October 29-31 at the Crowne Plaza Philadelphia, 1800 Market Street will include exhibitor space. The fee will be as follows:

*Corporate Rate* of \$475: This rate entitles you to one table and two registrations to the conference.

*Non-Corporate Rate* of \$25 per table plus a donated door prize (typically an item from your inventory).

Choose the rate that best meets your needs.

At this point, we are assuming the table will be around eight feet in length (I believe that is the typical length of a display table). The corporate rate fee may be waived if the exhibitor contributes equal to or more than the amount of the fee in door prizes or food /beverage during the conference.

Door prizes are generally given out at our social or at the keynote event. Contributors are invited to participate in the distribution of the door prize(s) they have donated.

For those planning to make a contribution in lieu of the fee, please confirm your intentions with me six weeks prior to the conference. Corporate rate vendors will need to provide the names of the two representatives who will be attending sessions (for name tag purposes). Door prizes do not need to be sent in advance. Please contact me if you are interested in space or if you have any questions. I can be contacted at:
