Request for a Scholarship or Financial Assistance (please check one):

___ To apply for a scholarship we will need the following information to be included with this application (our committee meets June 1):

1. A report from your current school indicating your current GPA, and
2. A letter of reference from a math or science teacher

___ To apply for financial assistance, your family income needs to be less than \$40,000 (no proof is required at this time).

Thank you!

* Make check payable to Board of Regents
