SUBJECT: Faculty Senate Request for Action
Resolution for Relief for Victims of Hurricane Katrina

The 2005-2006 Faculty Senate requests your action on the following resolution that was approved unanimously at its September 19, 2005 meeting:

Relief for the Victims of Hurricane Katrina

"Whereas a number of universities in southern Louisiana and Mississippi have been significantly impacted by Hurricane Katrina;

"Whereas a multitude of enrolled students at these institutions are facing uncertainty about the likelihood that they may return to their former institutions;

"Whereas faculty at these institutions have been displaced from their workplace and homes;

"Whereas the faculty of the University of Nevada, Reno have expressed the passionate desire to assist dislocated students, faculty and other victims affected by Hurricane Katrina in any way possible;

"Be it resolved that the Faculty Senate is deeply moved by the generosity of faculty and staff and the tremendous relief efforts undertaken especially by Chuck Price, JTSU, and Shannon Ellis and her staff in student services, as well as the students at UNR. We thank them all for their hard work and their generosity."

The 2005-06 Senate requests your support of this resolution as well as your continued support for those who are working so hard to ensure victims of hurricane Katrina received the assistance they so desperately need.
