

THE BUSINESS OF RENEWABLES

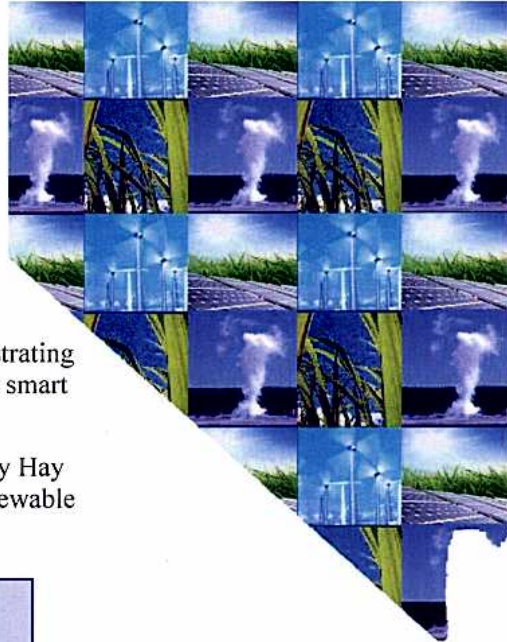

U.S. SENATOR HARRY REID INVITES YOU TO PARTICIPATE IN A FORUM TO DISCUSS THE BUSINESS OF RENEWABLE ENERGY. LEARN HOW CONVENTIONAL BUSINESS MODELS CAN BE ENHANCED BY THE UTILIZATION OF RENEWABLE ENERGY.

Thursday Feb 21, 2008 @ 10am—12pm

Where: University of Nevada Joe Crowley Student Union, 4th Floor Ballroom Section A

Special guests will join US Senator Reid in demonstrating how the application of renewable energy can make smart business and environmental sense.

Former Nevada State Consumer Advocate Timothy Hay will moderate a discussion on the integration of renewable energy into traditional business plans.

Please RSVP to Matthew Tuma at
Matthew_Tuma@reid.senate.gov
Or 775-686-6750

Parking: General parking will be available on the top level of the West Stadium Parking Complex. (RED X)
The Joe Crowley Student Union is located at the Green X.
