## Volunteer For GSA's Household Items Program

The Graduate Student Association is looking for volunteers to help with the Household Items Committee (HIC). HIC is a unique program to help graduate students in need. What exactly is it?? The GSA household items program is a volunteer group of graduate students. They pick up donations in the Reno area and store them in their storage units near the UNR campus. All graduate students are welcome to visit and take what they need. The HIC program also helps deliver large items! They are able to do ALL of this free of charge. Their goal is to serve graduate students and make UNR a better place for them during their time at our campus. We are looking for volunteers to help out with this program so that we can continue to provide this service and help graduate students in need. If you would like to volunteer during an upcoming Saturday please contact [hic.gsa.unr@gmail.com](mailto:hic.gsa.unr@gmail.com) or call the GSA office at 775.784.1093. Also if you have any items that are in good condition and would like to donate them, please contact us!
