Boyd School of Law, University of Nevada Las Vegas**

- Understand:* **Psychiatric diagnosis and the DSM-IV**
- Hear & See:* **Examples, video illustrations & applications of diagnostic criteria**
- Discuss in Detail:* **Psychotic, stress-related & personality disorders; substance use**
- Sample Cases:* **Apply the concepts of multi-axial diagnosis**
- Understand:* **History of legal insanity - In the U.S., England and Nevada**
- Examine:* **Finger v Nevada and implications**
- Look at:* **Sample Cases & Application - NGRI in Nevada**

This 3-hour CLE event will explain the basis of psychiatric diagnoses and the use of the insanity defense.

Often misunderstood and misapplied, psychiatric diagnoses can be best understood through a systematic approach.

The first half of this CLE will help participants understand the foundation and limitations of the current diagnostic scheme.

The second half will focus on the Not Guilty by Reason of Insanity (NGRI) pleas in Nevada.

Presented by Melissa Piasecki, M.D. - University of Nevada, Reno
