Welcome to the University of Nevada, Reno’s 60th annual Lake Tahoe Music Camp!

Student musicians ranging from middle school through high school are invited to participate in an incredible week of music-making and fun in the beautiful setting of Lake Tahoe. Campers will have the opportunity to participate in concert bands, jazz bands, camp choir and a variety of wind and percussion chamber ensembles during an action-packed week of rehearsals, clinics and concerts.

Evening activities will include faculty and student recitals, clinics and performances by University of Nevada, Reno music faculty, and a variety of recreational and team-building activities. Students will receive small group instruction and optional private lessons from outstanding northern Nevada music educators, and will perform in ensembles under the direction of some of the finest music educators in the country.
