

University of Nevada, Reno Export Control Evaluation for Foreign Workers and Visitors (SP-30)

This form is required for the evaluation of export control regulation compliance for foreign workers and visitors. Submit the completed, signed form to Sponsored Projects. The export control officer will evaluate the form to determine if an export license is required. After evaluation, the form will be returned to the department and must be submitted with the visa application paperwork to Office of International Students and Scholars. For more information about the evaluation process, please Control officer (775-784-6360).
