

SOCIOECONOMIC BENEFITS CRITERION INDICATORS
(Priority indicators are in italics)

SE 1 Local Economic Benefits (for mining-dependent counties)

SE 1.1 Employment and Income in the Mining Sector¹ in Mining-Dependent Counties

- Direct employment and labor income
- Total employment and labor income

SE 1.2 Per Capita Income in Mining-Dependent Counties

SE 1.3 Other Income to Communities from the Mining Sector

- Royalties
- Severance Taxes
- Property Taxes
- Other contributions

SE 1.4 Dependency of Mining-Dependent Counties on Minerals/Energy Activities

SE 1.5 Mining-Dependent Counties as a Percentage of All Counties

SE 1.6 Degree to Which a County is Dependent on a Resource Affected by Minerals/Energy Activities

SE 2 National Economic Benefits

SE 2.1 Output/Labor Expenditure in the Mining Sector

SE 2.2 Mitigation of Hazardous Mine Features

SE 2.3 Value of Energy and Mineral Resource Production

SE 2.4 Energy and Mineral Intensity

- Use per capita
- Use per dollar GDP

SE 2.5 Energy Intensity in Extraction, By Sector

SE 2.6 Net Trade Balance in Energy and Mineral Commodities

¹ The mining sector includes oil and gas extraction, mining (except oil and gas), and support activities for mining (e.g., exploration for metal mining, drilling oil and gas wells).

SE 2.7 Net Income in the Mining Sector

SE 2.8 National Employment and Income in the Mining Sector

- Direct employment and labor income
- Total employment and labor income

SE 2.9 Total Investment by the Mining Sector

- Tangible reproducible capital
- Exploration
- Research and Development
- Ecosystem enhancement, reclamation, and restoration
- Education and training

SE 3 Recreation and Tourism

SE 3.1 Old Mine Sites and Towns and Conversion of Mine Sites to Recreation Areas

SE 3.2 Level of Participation in Outdoor Recreation Activities in Mining-Dependent Counties

SE 4 Cultural, Social, and Spiritual Needs

SE 4.1 Archaeology-Number of Archaeology Sites (Pre-Historic) Eligible for the National Historic Register or Other Applicable Regulatory Requirements That Are Within the Proposed Project Boundaries

SE 4.2 Historic Sites- Number of Archaeology Sites (Historic) Eligible for the National Historic Register That Are Within the Proposed Project Boundaries

SE 4.3 Sacred Sites for Indigenous Peoples

SE 4.4 Subsistence Activities of Indigenous Peoples

- Level of participation
- Level of harvest

SE 4.5 Social Characteristics of Mining-Dependent Counties

- Domestic violence rates
 - Suicide rates
 - Violent crime rates
 - Substance abuse rates

SE 5 Equity

SE 5.1 Poverty Levels in Mining-Dependent Counties

SE 5.2 Percentage of Population, By Minority Group, in Mining-Dependent Counties
