Foundation Endowments

Alumni, faculty, parents and friends of Nevada who make endowment gifts are attracted to the opportunity to ensure that the institution, or a particular program or activity, will exist in perpetuity. Behind each endowment gift is a personal motivation—to repay a debt of gratitude for the donor's own education, to honor a loved one, and/or to make a positive impact. Endowments may be established through outright gifts, available for immediate investment by the University; life income gifts, in which the University receives money immediately while providing the donor or a designee with an income for life; or bequests, which the University receives after the donor's passing. We are grateful to many individuals and organizations for establishing these permanent endowment funds at Nevada.

An endowment is a permanent fund established to provide financial support for a specific purpose. Gifts to endowments are invested to create a lasting resource that grows in perpetuity. Endowment programs, by cash, securities, real estate, or through a planned gift or bequest, are invested to create a steady stream of income while leaving the principal untouched. To learn more about establishing an endowment at Nevada, please contact Bruce Mack, associate vice president for Development and Alumni Relations, (775) 784-1352 or bmack@unr.edu.
