Board of Regents Endowments

We are grateful to those who have created endowments with the Nevada System of Higher Education for the benefit of the University of Nevada, Reno. Most of these endowments have been supporting Nevada’s students and programs for decades and have grown to provide substantial earnings. These endowed funds ensure excellence at Nevada for generations to come.

WHY ARE ENDOWMENTS SO IMPORTANT?

An endowment refers to assets that are invested in perpetuity, unlike expendable funds which are typically used for immediate needs. The University’s endowment is not, as many may think, a single “pot” of money that can be used as the University wishes. Many separate endowed funds comprise the endowment, and each has its own stipulations about how the income may be used, as specified by the donor.

As the University’s endowment grows through prudent investment management and gifts, the endowment will help to ensure the strength and stability of the University. Endowment income provides stability against downturns in the economy, budget cuts and other changes.

To learn more about supporting existing endowments at Nevada, or establishing a new endowment, please contact Bruce Mack, associate vice president for Development and Alumni Relations, (775) 784-1352 or bmack@unr.edu

ENDOW A LEGACY

A gift to endow a faculty position makes a lasting contribution to strengthen the University. The gift will help recruit leading professors and secure a solid education for our students, who reap the benefits of such gifts.

A named chair or professorship goes on for as long as the University endures. It becomes a tradition unto itself, developing its character and reputation, not just for the donors, but for the faculty holders of the position.

To learn more about establishing an endowment at Nevada, please contact Bruce Mack, associate vice president for Development and Alumni Relations, (775) 784-1352 or bmack@unr.edu.
