From ‘Go Greek’ to ‘Always Alumni.’

These fraternity and sorority grads belong to another Nevada family.

The Greek system taught these Nevada alums a lot about what it means to be part of a legacy. That’s why they’ve all stayed connected to their alma mater through the Nevada Alumni Association. As with the Greek system, alumni members expand their lives every day through new friends, programs and connections. And while we may not have pledge pins, we do have some nifty membership cards.
