

2007 ~ 2008

Academic Faculty

Medicine - - Basic Sciences

Supplemental Salary Schedule

12 Months

	RANK	MINIMUM	Q1	Median (Q2)	Q3	Maximum
PROFESSOR	IV	101,690	119,635	147,685	190,705	219,310
ASSOCIATE PROFESSOR	III	90,113	106,015	120,326	144,456	166,124
ASSISTANT PROFESSOR	II	65,773	77,380	92,154	109,603	126,043
INSTRUCTOR	I	38,023	44,733	48,666	53,606	61,647

For employees subject to the employer-paid retirement plan, the amounts shown are reduced as provided by law (currently .91012).

The use of the medical salary schedules is dependent upon the ability of the faculty member to generate enough funds to support his/her salary through patient care. If the faculty member is in a position that does not generate sufficient funds to support his/her salary, the general academic faculty salary schedules may be used for that reason alone.
