

2007 ~ 2008

Academic Faculty

Medicine - - M.D.s

Supplemental Salary Schedule

12 Months

	RANK	MINIMUM	Q1	Median (Q2)	Q3	Maximum
PROFESSOR	IV	142,138	167,221	172,509	242,026	278,330
ASSOCIATE PROFESSOR	III	119,041	140,048	159,910	190,828	219,452
ASSISTANT PROFESSOR	II	101,434	119,334	137,373	160,195	184,224
INSTRUCTOR	I	85,251	100,295	122,408	140,179	161,206

For employees subject to the employer-paid retirement plan, the amounts shown are reduced as provided by law (currently .91012).

The use of the medical salary schedules is dependent upon the ability of the faculty member to generate enough funds to support his/her salary through patient care. If the faculty member is in a position that does not generate sufficient funds to support his/her salary, the general academic faculty salary schedules may be used for that reason alone.
