

2007 ~ 2008

Academic Faculty

Medicine - - M.D.s

Supplemental Salary Schedule

9 Months

	RANK	MINIMUM	Q1	Median (Q2)	Q3	Maximum
PROFESSOR	IV	118,448	139,351	143,758	201,688	231,942
ASSOCIATE PROFESSOR	III	99,201	116,707	133,258	159,023	182,877
ASSISTANT PROFESSOR	II	84,528	99,445	114,478	133,496	153,520
INSTRUCTOR	I	71,043	83,579	102,007	116,816	134,338

For employees subject to the employer-paid retirement plan, the amounts shown are reduced as provided by law (currently .91012).

The use of the medical salary schedules is dependent upon the ability of the faculty member to generate enough funds to support his/her salary through patient care. If the faculty member is in a position that does not generate sufficient funds to support his/her salary, the general academic faculty salary schedules may be used for that reason alone.
