

2007 ~ 2008

Academic Faculty

Medicine - - MD Specialty

Supplemental Salary Schedule

12 Months

	RANK	MINIMUM	Q1	Median (Q2)	Q3	Maximum
PROFESSOR	IV	218,999	257,646	314,713	377,099	433,664
ASSOCIATE PROFESSOR	III	206,370	242,789	288,742	350,731	403,341
ASSISTANT PROFESSOR	II	169,634	199,570	238,091	296,599	341,089
INSTRUCTOR	I	84,465	99,371	118,005	138,297	159,042

For employees subject to the employer-paid retirement plan, the amounts shown are reduced as provided by law (currently .91012).

The use of the medical salary schedules is dependent upon the ability of the faculty member to generate enough funds to support his/her salary through patient care. If the faculty member is in a position that does not generate sufficient funds to support his/her salary, the general academic faculty salary schedules may be used for that reason alone.
