

Summer Session 2017 Payment Plan

SUMMER PAYMENT PLAN DATES 2017

- May 19
- June 19
- July 19

Criteria for plans

- It can only be set up on balances of \$500+.
- There is a set-up fee of \$50 (one charge per semester).
- The above payment dates are fixed, regardless of the session(s) the student is taking classes.

Reason for plans

The payment plan option is designed to help students pay for classes in summer. Last year we surveyed students who dropped classes right before the summer term started (when fees were due) and asked them WHY they dropped. The majority of respondents indicated they dropped their summer classes because they didn't have the money for tuition. This plan creates a mechanism for students to pay tuition and fees in three installments throughout the summer.

How do students sign up?

A student can select "Enroll in Payment Plan" in his/her account in MyNEVADA. Students must check a box that confirms they have read the agreement. The payment plan is created immediately and a student can then make the first payment. See the image below demonstrating the necessary steps in MyNEVADA.
