What are the Wintermester Tuition Awards?

The Wintermester Tuition Award funds may pay towards tuition and fees for a minimum of 3 Wintermester credits.

Who is eligible?

Currently enrolled students who were admitted to the University for the fall 2017 semester or earlier may apply. You must have been enrolled at least half-time during fall 2017 and be enrolled half-time during spring 2018 to be eligible. Students attending the University only for Wintermester are not eligible for the Wintermester Tuition Award. Financial Aid award packages will be taken into consideration in determining a Wintermester Tuition Award. **Undergraduate/Graduate awards: \$650.**

How to Apply

The request for funding application will ONLY be available in MyNEVADA under the Supplemental Forms. The application will be available from Nov. 27, 2017 at noon (PT) to Dec. 8, 2017 at noon (PT). To be considered for the award, students must submit their application within the designated time frame. Tuition award recipients will be determined using a lottery system of potentially eligible applicants.

- Step 1: Select your course carefully, and then register through MyNEVADA. Wait listed courses do not count towards enrollment.
- Step 2: After you have registered for Wintermester and spring courses, complete and submit the "Wintermester Tuition Award Request Application" available in MyNEVADA under Supplemental Forms.
- Step 3: Make sure your email address and phone number listed in MyNEVADA are up to date.

Possible Funds Available

The Wintermester Tuition Award funds are used toward tuition and fees. Before you make a commitment to enroll, carefully evaluate whether you have enough funds to meet your living expenses and other education-related costs. You may want to meet with a financial aid advisor for additional funding options.

Academic Progress

If you are funded for Wintermester, you are responsible for completing 3 undergraduate or graduate credits. Dropping, receiving an incomplete or failing any of your 3 credits will result in the cancellation of your award and a repayment charge will be added to your MyNEVADA account. It will be your responsibility to repay the funds in full to the Cashier's Office. If you have not satisfied satisfactory academic progress (SAP) for spring financial aid eligibility, you cannot appeal to receive these funds.

- Dec. 13: You will be notified whether or not you have received a Wintermester Tuition Award.
- Dec. 28: If after fall grades post you are found to be ineligible, we will *begin* notifying you on this date.
- Jan. 2: Payment is due for Wintermester classes; if you've received an email stating you received the award, only **pay the balance due amount that is over \$650.** (For example, if your balance due is \$750 and you received the award, you need to pay \$100.)
