Possible Funds Available

Before you make a commitment to enroll, carefully evaluate whether you have enough funds to meet your living expenses and other education-related costs. You may want to meet with a financial aid advisor for additional funding options.

If you are funded for Wintermester, you are responsible for completing three (3) undergraduate or graduate credits. Dropping, receiving an incomplete or failing any of your three (3) credits will result in the cancellation of your award and a repayment charge will be added to your MyNEVADA account. It will be your responsibility to repay the funds in full to the Cashier’s Office. If you have not satisfied satisfactory academic progress (SAP) for spring financial aid eligibility, you cannot appeal to receive these funds. No exceptions.
