- Don’t leave purses, back packs or briefcases unattended in cars or public areas
- Keep a record of serial numbers, model numbers brand names, and descriptions of your valuables

RESIDENCE HALL SECURITY
- Never prop outside or room doors open—keep all doors closed and securely locked
- Don’t open your room or outside door without checking to see who’s requesting entry
- Report suspicious persons loitering in or around residence halls
- Never loan your key or ID card to anyone
- Don’t leave your keys unattended in your room or any public place—don’t put your name or address on your keys or key chain
- Have your keys ready before you get to the door
- Have police, escort service, and other emergency numbers posted near all telephones
- Don’t leave valuables unattended in lounges, laundry rooms, study rooms, restrooms, or other public areas

PERSONAL SAFETY
- Avoid studying alone in a building at night
- Try to walk in well-lit areas, between curbs and buildings; away from alleys and bushes
- Alcohol impairment may increase your chances of being victimized—use alcohol legally and in moderation—use the buddy system whenever possible and have a designated driver
- Be aware of your surroundings—walk with someone you know whenever possible or use Campus Escort in the evening hours
- When using ATM machines, have someone with you if possible—inspect the ATM area before you make your transaction
- When walking along a street, walk on the side facing traffic so you can see approaching persons or vehicles

BICYCLE SAFETY & THEFT PROTECTION
- Always secure your bike with a good quality “U” bolt locking device

If you have a car on campus:
- Park in well lit areas

- Report suspicious persons or activities to the police
- When parking, make sure all doors, windows and trunk are locked—take your keys with you
- Have keys in hand when returning to your vehicle
- When driving, keep all doors locked and windows rolled up
