Lyon County has begun a comprehensive strategic planning initiative designed to focus organizational resources and efforts over the next five years, spanning the FY 2018 through FY 2022 period. Faculty from the University Center for Economic Development at the University of Nevada, Reno will facilitate a strategic planning workshop on Saturday, August 11, 2018 with Lyon County’s administrative staff, members of the public, and community leaders in order to continue and complete the strategic planning process. This workshop will contain presentations and seek your input on a variety of topics, including:

- A review of the results from the first round and second round of strategic planning community workshops held in Dayton, Silver Springs, Smith, and Yerington.
- Review of the completed core values, strategic mission and strategic vision for the government of Lyon County for FY 2018 through FY 2022.
- Review of the completed strategic goals and objectives for the government of Lyon County for FY 2018 through FY 2022.

Who Should Attend?  This workshop has been developed for Lyon County administrative staff and government officials, elected and appointed officials, members of the public, and community and business leaders located throughout Lyon County. Unlike the first and second round of strategic planning workshops, this will be the only third community strategic planning workshop and anyone interested in helping review the draft strategic plan for Lyon County for FY 2018 through FY 2022 is encouraged to attend this workshop in Silver Springs.

How Long is the Workshop?  The workshop will be a half-day event beginning at 11:00am and ending at 3:00pm. Morning coffee, snacks and lunch in the afternoon will be provided.

How do I register?  This is no charge to attend but individuals interested in attending are encouraged to RSVP by Monday, August 6th, 2018 by 5:00pm.
