Orvis School of Nursing  
HESI A2 Registration

HESI Admission Assessment Exam
All applicants to the Orvis School of Nursing are required to take the Health Education Systems Incorporated Admission Assessment (HESI A²) exam. The HESI A² is an assessment tool used to evaluate prospective students’ potential for success in a rigorous nursing program.

The HESI A² exam may be taken only once in an application cycle. If the HESI A² is retaken the following application cycle, the candidate must retake all required sections of the exam. The most recent scores must be submitted, and will be used for each application submitted to the Orvis School of Nursing. Scores are valid for two rolling calendar years. Candidates may take the HESI A² a maximum of three (3) times in a rolling two-year period. Any exception to these requirements must be submitted as a petition to the Orvis School of Nursing Admissions, Progressions, and Student Affairs committee.

The HESI A² exam can be taken at any Prometric testing center. You must register with HESI and obtain a testing Eligibility ID code to be able to schedule your exam. All payments are processed through Prometric, and the testing fee varies by testing site (average $95). Note that Prometric limits the total testing time to four hours. Be sure you plan your time to allow you to complete all required sections of the exam.

Candidates must complete the following assessments each time they take the HESI A2 exam.
