

Orvis School of Nursing Admission Process Applies to Spring 2019 Applications for Fall 2019 Admission

HESI Admission Assessment Exam

All applicants to the Orvis School of Nursing are required to take the Health Education Systems Incorporated Admission Assessment (HESI A²) exam. The HESI A² is an assessment tool used to evaluate prospective students' potential for success in a rigorous nursing program.

The HESI A² exam may be taken only once in an application cycle. If the HESI A² is retaken the following application cycle, the candidate must retake all required sections of the exam. The most recent scores must be submitted, and will be used for each application submitted to the Orvis School of Nursing. Scores are valid for two rolling calendar years. Candidates may take the HESI A² a maximum of three (3) times in a rolling two-year period. Any exception to these requirements must be submitted as a petition to the Orvis School of Nursing Admissions, Progressions, and Student Affairs committee.

The HESI A² exam can be taken at any Prometric testing center. You must register with HESI and obtain a testing Eligibility ID code to be able to schedule your exam. All payments are processed through Prometric, and the testing fee varies by testing site (average \$95). Note that Prometric limits the total testing time to four hours. Be sure you plan your time to allow you to complete all required sections of the exam.

Candidates must complete the following assessments each time they take the HESI A² exam.

Name of Section	Number of Items	Recommended Time	Benchmark Score
Anatomy & Physiology	30 Items	30 minutes	80%
Math	55 Items	60 minutes	80%
Reading Comprehension	55 Items	60 minutes	75%
Grammar	55 Items	60 minutes	75%
Learning and Personality Styles	29 Items	30 minutes	Not Scored

BSN Application Process

Applicants will need to apply to the University of Nevada, Reno, and be accepted as a Pre-Nursing student prior to applying to the BSN Nursing Program.

Submit a formal application to the Orvis School of Nursing by the date specified by the Admissions, Progression and Student Affairs (APSA) committee. No more than 13 prerequisite credits can be in progress at the time of application. No more than one science course (4 credits) may be in progress at the time of application. Earn at least a 'C' grade in all prerequisite courses.

The cumulative grade-point average earned in selected prerequisite courses is used, in part, to determine which students are selected to the upper-division nursing major.

All prerequisite course requirements must be completed for the major by the end of spring semester for fall admission and by the end of fall semester for spring admission to the nursing major. Any repeated course must have a letter grade posted to the student's transcript. A student may not apply to the nursing major while enrolled in a course that has previously received a mark of withdraw, incomplete, audit, or grade less than C.

Students must have a minimum GPA of 3.0 in selected pre-nursing courses to qualify for application to the upper-division nursing major. The selected pre-nursing courses include BIOL 223 A/L, BIOL 224, A/L, BIOL 251, CHEM 121 A/L, CHEM 220 A/L, MATH \geq 126, NUTR 223, HDFS 201, Communication, and behavior science elective. All prerequisite courses must be taken for a grade (not S/U). Transfer credits taken for S/U credit from an institution that does not offer letter grades are evaluated on an individual basis.

The Orvis School of Nursing actively supports the University of Nevada, Reno’s policies that ensure equal opportunity/affirmative action and diversity.

Applications are reviewed by the Undergraduate Program Officer, the Associate Dean of Undergraduate Programs, and the Chair of the Admissions, Progression, and Student Affairs committee. Applications that do not meet minimum requirements will not be considered. The applicant will receive a letter stating the reason(s) the application was not reviewed. Applications that meet minimum requirements will be evaluated through a point-based matrix (see below). Applicants with the top 64 matrix scores will be offered provisional admission to the OSN pre-licensure program.

In the event of a tie, the tie-breaking candidate will be selected using the following criteria in order of preference:

- Military veteran (honorably discharged from the U.S. Armed Forces) or active duty military
- Number of credits completed at the University of Nevada, Reno
- Number of credits completed at a NSHE institution
- Nevada high school graduate

Final admission is contingent upon completion of remaining courses with a grade of “C” or better, background check, drug test, and other application requirements.

Submission of inaccurate or falsified records will nullify the current application and may permanently disqualify the student from admission consideration.

How to Become Eligible

Please contact your prospective school for eligibility instructions, including the school's department ID.

You will need to follow the school's instructions to request testing eligibility through the Elsevier Evolve website, after which you will receive an email confirmation indicating that you may proceed with scheduling your exam appointment. Please carefully review the information contained in your confirmation email for accuracy. (Note: This will be an automated email response and may be delivered to your spam/junk email folder.)

If any of the information in the confirmation email is incorrect or if the information has changed, please email inquiries to: exameligibility@elsevier.com. You may also contact Elsevier Student Support at 1-800.222.9570.

What to Bring to the Testing Center

You will be required to present one form of non-expired, government-issued, photo and signature bearing ID (e.g., driver's license or passport). The identification document must be in Latin characters and contain your photograph. All other personal items must be locked in a locker for test security purposes, so please limit what you bring to the testing center.

What Time to Arrive at the Testing Center

Plan to arrive 30 minutes before the scheduled appointment to allow time for check-in procedures. If you are late in arriving, you will not be allowed to test and will forfeit your exam fee.

HESI – ELSVR (Elsevier) Admissions Assessment A2 Exams

The following information is provided by the Reno Prometric Testing Center Staff:

We are looking forward to working with you this year! We want to make your testing experience with us as stress free as possible.

Set up your account with Prometric:

- Fill in all the areas on your account – phone number is especially important.
- Register with your name EXACTLY as it is shown on your identification.
- Identification required: Driver's License or Passport.
- Choose the site where you will be testing – 2205 Reno, Nevada
- If you are unable to get the exact day and time you want, it is because that time is already filled by another candidate. We are not able to set or change appointments at this site – it must be done online.

Day before your appointment:

We will call you to remind you of your appointment. This is why it is so important that you register with a phone number so we can contact you.

Day of your appointment:

- **Know your EVOLVE password as you will need it to take the exam. Bring it with you. This is the password you set up with Elsevier, *not* with Prometric.**
- Arrive 30 minutes prior to your check-in time.
- Your testing station has been reserved for you for approximately 4 hours.
- You will be able to take unscheduled breaks during your appointment time – consider that your test time will continue to count down on any break.
- You will be offered a locker to store all of your personal items.
- You may wear a sweater in the testing lab...outer wear is not allowed.
- You will be asked to remove any jewelry (watches, earrings, etc.).
- Cell phones must be turned off and stored in your locker.
- You will be asked to review the Rules and Regulations of Prometric and then you will be asked to be seated in the order of arrival.

Once you go into the Admin area to begin the check-in process, you will be security checked (pockets, sleeves, etc.) and the security wand will be run to detect any electronic devices.

You will then meet with our Test Center Administrator who will guide you through the check-in process and explain the supplies you will receive and set you up at your workstation.

The calculator feature is not enabled in all exams. You may ***not*** bring a physical calculator.

At the end of your exam, you will be provided with a printout showing your score.
If you have any questions, please feel free to call us 775-825-1672,

Dianne, Sierra, Carol, and Pam
