Job Opportunity in South Reno!

Our clinic is interested in hiring a LCSW to join our private practice in South Reno. We are a group of licensed psychologists who serve a very diverse outpatient population. All of the clinicians in our practice are of a cognitive-behavioral orientation treatment, and we are interested in having a clinician with a similar orientation to treatment join our office as an employee.

We will offer mentorship for advanced training opportunities to serve the complex needs of our clientele. This includes anxiety disorders, mood disorders, child behavior disorders, pain disorders, sleep disorders, marital/family issues, and many other clinical problems we routinely see in our practice. The position is particularly suited to early career LCSW’s. Pay is competitive with going rates for outpatient clinics.

The position will start as a part-time position with a build up to full time hours. Please contact Dr. Stephen Mayville with an attached curriculum vitae if you’re interested in learning more about the position (stephenmayville@sbcglobal.net).

We look forward to hearing from you.

Stephen B. Mayville, Ph.D.
