Clinical Social Work Internship
Yerington Mental Health

Great learning opportunity for the right candidate.

Rural Mental Health Clinics (State of Nevada) has an open Mental Health Counselor position at Yerington Mental Health. Working in a rural area provides excellent professional development opportunities:

- Supervision with clinical staff – psychologist and two LCSW’s - with over 50 years experience.

- Opportunity to treat multiple diagnostic profiles in an out-patient setting

- Work closely with medication clinic staff and learn the most up to date psychotropic treatment.
