Western Nevada Regional Youth Center  
LCSW/ MFT  
F/ T - SILVER SPRINGS, NV  
Grade 32, salary range is $54,724 - $77,334

WNRYC is seeking an experienced full-time LCSW/ MFT for youth case management and mental health treatment. Because WNRYC is a 24 hours a day 7 days a week facility, the incumbent will be expected to work some evenings and weekends with their primary shift being Days. **WNRYC has new management who is developing a new co-occurring treatment program and looking for creative and motivated professionals.** This program is county funded and does not bill Medicaid.

Silver Springs, NV is 45 miles from Sparks; 30 miles from Fallon, 20 miles from Dayton, 32 miles from Carson City.

This position facilitates individuals, group and family therapy. The right individual will conduct diagnostic intake, risk assessments and discharge planning and maintain appropriate clinical documentation. Additional responsibilities include:

- Assist with general staff development of WNRYC employees; provides staff training with special emphasis on mental health.
- Provide on-going mental health case management services for assigned youth.
- Crisis intervention and suicide risk management - provide training and response.
- Coordinate with community mental health providers for assessment, placement, and medications for a continuum of services.
- Monitor and assess the effectiveness of the health care and medication dispensing systems.

Must be a Nevada licensed LCSW or MFT. Prefer a minimum of 2+ years post internship experience working with adolescents and families involved in the court system. Prefer experience with substance abuse/relapse prevention treatment and trauma informed care.

This position is subject to pre-employment drug testing, random drug screening and must pass a background investigation.

**Pay Grade: 32 starting salary (Non-exempt)**  
Employee/Employer Paid Retirement: $26.31/hr  
Employer Paid Retirement: $23.22/hr
