Attendance Requirements

PLEASE NOTE: Tutoring is conducted at the UNR campus. Families are responsible for transporting their children to and from the UNR campus tutoring site. Attendance is crucial for the success of the program. More than 3 absences will result in your child being dropped from the tutoring program. No refunds are given for students being dropped from tutoring due to lack of attendance. There will be a family night on the first day of tutoring and a final family conference on the last day.

Payment Information

➢ The tutoring program fee is $300.00 for the semester.

➢ We require a deposit of $100.00 due with this registration form. The remaining balance is due on the first day of tutoring.

➢ If your child is not admitted to tutoring, we will return the deposit to you.

➢ The CLL accepts checks and credit cards. You may include a check with this form or call the CLL (775-682-5522) to pay using your credit card over the phone.

A limited number of scholarships are available each semester. For additional information, please email the CLL Graduate Assistant at mbedford@unr.edu.

Acceptance Notification

We receive many applications for the tutoring program. We do not accept students until the UNR add/drop date of September 1st. Program slots are dependent on the UNR student course enrollment for each semester in order to maintain the one-on-one ratio. If your child is accepted you will receive a welcome packet with additional information the first week of September; other students will be placed on a waiting list. You may contact Melissa Bedford if you have any questions: mbedford@unr.edu.
