

# NEVADA LEADS

A Principal Preparation Collaborative

University of Nevada, Reno

Washoe County School District  
Every Child, By Name And Face, To Graduation™

## WHY CHOOSE NEVADA LEADS FOR YOUR M.Ed.?

- Two-year (Spring-Summer-Fall-Spring-Summer-Fall) course of study
- Flexible class schedule conducive to full-time teachers' schedules
- Continuously updated course content co-taught by current practicing principals/district leaders and university faculty
- Internship experiences aligned to semester coursework
- Dynamic 21<sup>st</sup> Century instructional models include blended learning and virtual communities of practice
- Stipends support attendance at a professional educational leadership conference *and* all textbooks
- Placement guidance and networking
- Streamlined admissions

*Nevada Leads is an innovative, district-university partnership created to prepare select cohorts of exceptional teachers for educational leadership positions. Mentored by current and former principals, Nevada Leads students earn their M.Ed. in Educational Leadership through a rigorous program of study aligned to the 2015 Professional Standards for Educational Leaders. The accompanying internship provides candidates with real world, school-based leadership experiences focused on the skills and dispositions needed to serve as change agents and advocates for equity in 21<sup>st</sup> century schools.*
