**Mailing Address (if different):** P.O. Box 5390, Sparks, NV 89432

Internship Site Information

Reno/Sparks Young Life is a youth outreach program that focuses on middle school and high school students within Washoe County. We strive to have volunteer leaders step into the lives of students, to walk alongside them, and to mentor them in different roles. While we are a faith-based, non-denominational ministry, we respect others rights to have different faiths, share different faiths, and to ask questions. Our goal is for students to have a safe, welcoming, and accepting place within healthy adult relationships to guide and walk through life. Interns can choose from a variety of roles depending on the experience they are seeking. We have programs with both middle school and high school students and offer the knowledge needed to understand the programmatic and administrative measures needed to work for a nonprofit. We are open to helping accommodate interns’ schedules so that they can complete the required hours, reach their educational goals, and learn hands on experience with students and stakeholders.

**Number of Internships Available:** 2

Student Requirements

1. We require a background check (no cost to student)

2. Volunteer orientation prior to working with students

3. We are looking for open-minded, enthusiastic students that want hands-on experience in learning the field as well as being able to help with the larger programmatic vision

How will student obtain this internship?

The student should contact Lindsay Bridges should he/she feel that Young Life is an appropriate site for him/her. We are also open to having the HDFS Internship Office place students since we know students will be placed for both the success of all involved.
