Internship Site Information

Equity and Diversity will promote, develop and support equitable practices and policies for a safe and inclusive school community system; additionally, we will provide assurance of access, representation and meaningful participation for all.

The Equity & Diversity Department is involved in district-wide work that aims to:

- Address the decrease of disproportionality and increase access for underrepresented groups  
- Increase District awareness and collaboration around equitable and culturally responsible practices  
- Provide professional development district – wide  
- Work to support an increase in diverse hiring practices

Interns can work up 150 hours, majority days, some evenings for trainings. Working with students, staff, and families across the district.

**Number of Internships Available:** 2

**Student Requirements**

None listed

**How will student obtain this internship?**

Each potential student would need to schedule an interview with the Coordinator of Equity and Diversity to determine if they would be a good fit for the work. Each student can contact the Department via telephone to speak with the office assistant.
