If any PI or co-PI identified on the proposal has received NSF funding with a start date in the past 5 years, information on the award is required for each PI and co-PI, regardless of whether the support was directly related to the proposal or not. a) The NSF award number, amount and period of support;

b) The title of the project;

c) A summary of the results of the completed work, including accomplishments. The results must be separately described under two distinct headings: Intellectual Merit and Broader Impacts;

d) A listing of the publications resulting from the award; if none, state “No publications were produced under this award.”;

e) Evidence of research products and their availability;

f) If the proposal is for renewed support, a description of the relation of the completed work to the proposed work.
