GETTING STARTED ON YOUR GRADUATE DEGREE

Deciding on your graduate program

Step 1:
Locate the graduate program(s) of interest to you by exploring their website. To do this, go to http://www.unr.edu/grad/degrees-and-programs. There is a link to the program's graduate website for additional information.

Step 2:
Be sure to note the program requirements for admission – do they require an entrance exam, such as the GRE or GMAT? Are there undergraduate pre-requisite classes that would be required? If you still have questions regarding admission requirements, then contact the graduate program director for the department that you will be applying to. The attached contact list provides specific contact information for each program director.

Applying to Graduate School

Step 3:
Go online to https://www.unr.force.com. You must create an account to be able to submit an application for admission into any Graduate Program.

Step 4:
If the GRE, GMAT, or other test scores are required, take the exam and have the scores reported to the University of Nevada, Reno (school code 4844).

Step 5:
For each college or university you have previously attended, order one official copy of transcripts to be sent to:

University of Nevada, Reno
Graduate School, Mail Stop 0326
1664 N. Virginia Street
Reno, NV 89557-0326

NOTE: Official transcripts must come directly from your previous institution to the University of Nevada, Reno Graduate School Office. They are not official if they come to you as a student, even if they are in sealed envelopes.

Step 6:
If the Program(s) you are applying to has a listed deadline, the application and all other application materials including test scores, must arrive at the Graduate School one (1) week before the listed deadline date.
