WHEN COVERAGE BEGINS

Insurance under the Master Policy will become effective at 12:01 a.m. on the later of:

- The Master Policy effective date;
- The beginning date of the term for which premium has been paid;
- The day the Enrollment Form (if applicable) and premium payment are received by the Company, Authorized Agent or University.

IMPORTANT NOTICE - Premiums will not be pro-rated if the Insured enrolls past the first date of coverage for which he or she is applying. Final decisions regarding coverage effective dates are made by UnitedHealthcare Insurance Company.

The below enrollments will be allowed a 30 day grace period from the term start date to enroll whereby the effective date will be backdated a maximum of 30 days. No policy shall ever start prior to the term start date:

1. All hard-waiver mandatory (insurance is required as a condition of enrollment on campus) insurance programs.
2. All re-enrollments into the same exact policy if re-enrollment occurs within 30 days of the prior policy termination date.

WHEN COVERAGE ENDS

Insurance of all Insured Persons terminates at 11:59 p.m. on the earlier of:

- Date the Master Policy terminates for all Insured Persons; or
- End of the period of coverage for which premium has been paid; or
- Date the Insured Person ceases to be eligible for the insurance; or
- Date the Insured Person enters military service.

Dependent coverage will not be effective prior to that of the Insured Student or extend beyond that of the Insured Student.

COVERAGE IS NOT AUTOMATICALLY RENEWED. Eligible Persons must re-enroll when coverage terminates to maintain coverage. NO notification of plan expiration or renewal will be sent. The Master Policy is a Non-Renewable One Year Term Policy.

INSURANCE WAIVER INFORMATION

Graduate and International students who are eligible to waive out of the student health insurance plan who have insurance that is comparable to the UNR Student Health Insurance Plan offered through a different insurance company (i.e. through an employer, spouse, parent/guardian, scholarship, etc.), and DO NOT want to take part in the UNR Student Health Insurance Plan, must complete the online waiver process by the waiver deadline to have the insurance fees removed from your student account. Graduate students must submit an approved waiver once per academic year; International students once per academic term.

For Graduate and International students who are eligible to waive out of the student health insurance plan, who do not have insurance, no action is required. You will automatically be enrolled in the UNR UnitedHealthcare StudentResources Student Health Insurance Plan each term you are eligible, (Fall and Spring/Summer), and your student account will be charged.

To WAIVE OUT of the insurance plan you must complete the online waiver at wfis.wellsfargo.com/UNR. For more information visit wfis.wellsfargo.com/UNR.

HEALTH INSURANCE REQUIREMENT AND ELIGIBILITY

Undergraduate Students
All registered University of Nevada, Reno undergraduate students enrolled in 9 or more credit hours and who have paid the Health Service fee are eligible to enroll in this insurance Plan. To enroll in the Plan, log on to your MyNEVADA account, select Purchase Items under the “Other Financial” drop down under the Finances section. Purchase item fees must be paid at the time of selection.

International Students
All registered University of Nevada, Reno International students are required to have insurance and will automatically be enrolled in the plan and charged the health insurance fee unless they choose to submit an insurance waiver of comparable coverage.

Eligible students will be charged a Health Insurance Fee for the Fall and Spring/Summer terms. All students who have the student health insurance plan during the Spring 2015 term will be covered through August 14th 2015, regardless of summer credit hours. This means that if you have paid the Spring/Summer student health insurance charge, you will have continuous coverage throughout summer term, regardless of taking classes, traveling, or graduating.

Optional Practical Training students are not eligible to purchase the UNR student insurance Plan.

Graduate Students on Assistantship (GA)
Full time Graduate students who have an Assistantship (GA) and are enrolled in 6 or more graduate credit hours at the University of Nevada Reno are automatically enrolled in the student health insurance plan at no charge to the student unless they choose to submit an insurance waiver of comparable coverage.

Half time Graduate students who have an Assistantship (GA) and are enrolled in 6 or more graduate credit hours at the University of Nevada Reno are automatically enrolled in the student health insurance plan with half of the insurance premium paid by UNR. Half time GA students who do not submit an insurance waiver of comparable coverage will have their student accounts charged for the remaining half of the insurance premium.

Graduate Students NOT on Assistantship (non-GA)
All eligible degree seeking graduate students enrolled in 6 or more credit hours will be automatically enrolled in the UNR sponsored Student Health Insurance Plan unless they choose to submit an insurance waiver of comparable coverage.

Eligible students will be charged a Health Insurance Fee for the Fall and Spring/Summer terms. All students who have the student health insurance plan during the Spring 2015 term will be covered through August 14th 2015, regardless of summer credit hours. This means that if you have paid the Spring/Summer student health insurance charge, you will have continuous coverage throughout summer term, regardless of taking classes, traveling, or graduating.

Dependents
Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the legal spouse (or domestic partner), and their dependent children under 26 years of age. A “Newborn” will automatically be covered for Injury or Sickness from birth until 31 days old, providing that the Insured Person, who is the parent, is covered under this plan. Coverage may be continued for that child when Wells Fargo Insurance Services is notified in writing within 31 days from the date of birth and by payment of any additional premium. Dependent eligibility expires concurrently with that of the Insured Student, and Dependents must re-enroll when coverage terminates to maintain coverage.

HEALTH INSURANCE REQUIREMENT AND ELIGIBILITY (CONTINUED)

To enroll your dependents contact UNR’s student health insurance brokers, Wells Fargo Insurance at (800) 853-5899, M-F, 8:00am-5:00pm (PST).

Eligibility Requirement
You must meet the Eligibility requirements each time you pay a premium to continue insurance coverage. To avoid a lapse in coverage, your premium must be received within 30 days after the coverage expiration date. It is the student’s responsibility to make timely premium payments to avoid a lapse in coverage.

Eligible students who involuntarily lose coverage under another group insurance plan are also eligible to purchase the University of Nevada, Reno Student Health Insurance Plan. These students must provide Wells Fargo Insurance with proof that they have lost insurance through another group (certificate and letter of ineligibility) within 30 days of the qualifying event. The effective date would be the later of: a) term effective date, or b) the day after prior coverage ends if enrollment request is received by Wells Fargo Insurance within 30 days from loss of prior coverage.

To be an Insured under the Master Policy, the student must have paid the required premium and his/her name, student number and date of birth must have been included in the declaration made by the School or the Administrative Agent to the Insurer. All students must actively attend classes for the first 45 consecutive days following their effective date for the term purchased, and/or pursuant to their visa requirements for the period for which coverage is purchased, except in the case of medical withdrawal or during school authorized breaks.

If the Company discovers the Eligibility requirements have not been met, its only obligation is refund of premium.

**PREFERRED PROVIDER NETWORK**

“Preferred Providers” are the Physicians, Hospitals and other health care providers who have contracted to provide specific medical care at negotiated prices. Preferred Providers in the local school area are: UnitedHealthcare Choice Plus.

The availability of specific providers is subject to change without notice. Insureds should always confirm that a Preferred Provider is participating at the time services are required by calling the Company at (800) 767-0700 and/or by asking the provider when making an appointment for services.

“Preferred Allowance” means the amount a Preferred Provider will accept as payment in full for Covered Medical Expenses.

“Out of Network” providers have not agreed to any prearranged fee schedules. Insureds may incur significant out-of-pocket expenses with these providers. Charges in excess of the insurance payment are the Insured’s responsibility. Regardless of the provider, each Insured is responsible for the payment of their Deductible. The Deductible must be satisfied before benefits are paid. The Company will pay according to the benefit limits in the Schedule of Benefits.

**Inpatient Hospital Expenses**

**PREFERRED PROVIDERS** - Eligible Inpatient expenses at a Preferred Provider will be paid at the coinsurance percentages specified in the Schedule of Benefits, up to any limits specified in the Schedule of Benefits. Preferred Hospitals include UnitedHealthcare Choice Plus United Behavioral Health (UBH) facilities. Call (800) 767-0700 for information about Preferred Hospitals.

**OUT-OF-NETWORK PROVIDERS** - If Inpatient care is not provided at a Preferred Provider, eligible Inpatient expenses will be paid according to the benefit limits in the Schedule of Benefits.

**Outpatient Hospital Expenses**

Preferred Providers may discount bills for outpatient Hospital expenses. Benefits are paid according to the Schedule of Benefits. Insureds are responsible for any amounts that exceed the benefits shown in the Schedule, up to the Preferred Allowance.

**Professional & Other Expenses**

Benefits for Covered Medical Expenses provided by UnitedHealthcare Choice Plus will be paid at the coinsurance percentages specified in the Schedule of Benefits or up to any limits specified in the Schedule of Benefits. Go to www.uhcsc.com/unr to download the 2014-2015 University of Nevada Reno certificate which contains additional information about the UHCP network pharmacy benefits and exclusions.

**COORDINATION OF BENEFITS**

Benefits will be coordinated with any other eligible medical, surgical or hospital plan or coverage so that combined payments under all programs will not exceed 100% of allowable expenses incurred for Covered Medical Expenses.

**GENERAL PROVISIONS**

**SUBROGATION:** The Company shall be subrogated to all rights of recovery which any Insured Person has against any person, firm or corporation to the extent of payments for benefits made by the Company to or for benefit of an Insured Person. The Insured shall execute and deliver such instruments and papers as may be required and do whatever else is necessary to secure such rights to the Company.

**RIGHT OF RECOVERY:** Payments made by the Company which exceed the Covered Medical Expenses (after allowance for Deductible and coinsurance clauses, if any) payable thereunder shall be recoverable by the Company from or among any persons, firms, or corporations to or for whom such payments were made or from any insurance organizations who are obligated in respect of any covered Injury or Sickness as their liability may appear.

**EXTENSION OF BENEFITS AFTER TERMINATION**

The coverage provided under this policy ceases on the Termination Date. However, if an Insured is Hospital Confined on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed **90 days** after the Termination Date. The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit. After this “Extension of Benefits” provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

**BENEFITS FOR HOME HEALTH CARE**

Benefits shall be paid for Covered Medical Expenses arising from care at home or health supportive services if that care or service is prescribed by a Physician and would have been covered by the Master Policy if performed in a medical facility or facility for the Dependent as defined in chapter 449 of NRS.

Benefits shall be subject to all Deductible, Copayment, Coinsurance, limitations, or any other provisions of the Master Policy.

**DEPENDENT** means the legal spouse (husband or wife) or Domestic Partner of the Named Insured and their dependent children. Children shall cease to be dependent at the end of the month in which they attain the age of 26 years. 1) Incapable of self-sustaining employment by reason of mental retardation or physical handicap; and,
2) Chiefly dependent upon the Insured Person for support and maintenance.

Proof of such incapacity and dependency shall be furnished to the Company:
1) by the Named Insured,
2) within 31 days of the child’s attainment of the limiting age. Subsequently, such proof must be given to the Company annually following the child’s attainment of the limiting age.

**INSURED PERSON** means: 1) the Named Insured; and, 2) Dependents of the Named Insured, if: 1) the Dependent is properly enrolled in the program, and 2) the appropriate Dependent premium has been paid. The term “Insured” also means Insured Person.

**INTENSIVE CARE** means: 1) a specifically designated facility of the Hospital that provides the highest level of medical care; and 2) which is restricted to those patients who are critically ill or injured. Such facility must be separate and apart from the surgical recovery room and from rooms, beds and wards customarily used for patient confinement. They must be: 1) permanently equipped with special life-saving equipment for the care of the critically ill or injured; and 2) under constant and continuous observation by nursing staff assigned on a full-time basis, exclusively to the intensive care unit. Intensive care does not mean any of these step-down units:

4) Serious dysfunction of any body organ or part; or

Expenses incurred for “Medical Emergency” will be paid only for Sickness or Injury which fulfills the above conditions. These expenses will not be paid for minor Injuries or minor Sicknesses.

**MEDICAL NECESSITY** means those services or supplies provided or prescribed by a Hospital or Physician which are all of the following:

1) Essential for the symptoms and diagnosis or treatment of the Sickness or Injury;

3) In accordance with the standards of good medical practice;
4) Not primarily for the convenience of the Insured, or the Insured’s Physician; and,
5) The most appropriate supply or level of service which can safely be provided to the Insured.

The Medical Necessity of being confined as an Inpatient means that both: 1) the Insured requires acute care as a bed patient; and, 2) the Insured cannot receive safe and adequate care as an outpatient.

This policy only provides payment for services, procedures and supplies which are a Medical Necessity. No benefits will be paid for expenses which are determined not to be a Medical Necessity, including any or all days of Inpatient confinement.

**MENTAL ILLNESS** means a Sickness that is a mental, emotional or behavioral disorder listed in the mental health or psychiatric diagnostic categories in the current Diagnostic and Statistical Manual of the American Psychiatric Association. If not excluded or defined elsewhere in the Master Policy, all mental health or psychiatric diagnoses are considered one Sickness.

**NEWBORN INFANT AND ADOPTED CHILD** means: 1) a newly born child of the Insured from the moment of birth provided that the Insured is insured under this policy; 2) an adopted child from the date the adoption becomes effective, if the child was not placed in the home before adoption, provided the person adopting the child is insured under this policy on the date the adoption becomes effective; and 3) a child placed with the Insured for the purpose of adoption from the moment of placement as certified by the public or private agency making the placement provided the person adopting the child is insured under this policy on the date the child is placed with the Insured. Such child will be covered under the Master Policy for the first 31 days after: 1) birth of the newly born child; 2) the effective date of adoption of the child; or 3) the date of placement of the child for adoption. Coverage for such a child will be for Injury or Sickness, including medically diagnosed congenital defects, birth abnormalities, prematurity and nursery care; benefits will be the same as for the Insured Person who is the child’s parent.

The Insured will have the right to continue such coverage for the child beyond the first 31 days. To continue the coverage the Insured must, within the 31 days after the date of birth, adoption, or placement for adoption: 1) apply to us; and 2) pay the required additional premium for the continued coverage. If the Insured does not use this right as stated here, all coverage as to that child will terminate at the end of the first 31 days after the child’s birth, adoption, or placement for adoption.
