

University of Nevada, Reno | Information Technology

Application for Access to Computing Resources

Please send the completed form to IT Support:

Fax: (775) 784-4399 | E-mail: help@unr.edu

Once created, IT will e-mail NetID activation instructions to the account holder.

Access to University computing resources is restricted by conditions of licensing contracts and audit requirements. Publishers monitor the use of their licensed products and may revoke access to the entire University unless proven that a given individual is a current student, faculty, staff or is formally affiliated with proper documentation. A fee may be charged for some resources.

Accounts include:

- **On-campus computer access**
- **On-campus wireless access**
- **On-campus library database access**
