**Advisor Name & E-Mail:**

**Program:** Complete the English major and required Education courses during four years in the College of Liberal Arts. Although you will remain declared as an English major in the College of Liberal Arts, we advise declaring a double major in Secondary Education with English Emphasis program in the College of Education (COE). Certain COE requirements apply; check with a COE academic advisor. Your final semester would be spent in the College of Education teaching practicum program.

**NOTE:** If you do not complete a double major in Secondary Education and instead complete any recognized UNR minor along with the requirements below, you will still graduate with a BA in English/Secondary Teaching, but will need to complete state teacher certification requirements here or elsewhere before you can start your teaching career.
