Is there a problem?

If you are not satisfied with your experiences in the Psychological Services Center (PSC), we want to hear from you so that we can provide our services to you in ways that we both find satisfactory.

If you have a problem with anything about the PSC, first, speak with one of our staff. If the problem is with your insurance, bills, or payment, talk to receptionist who will contact our bookkeeper. If the problem is with your therapy or assessment, talk to your therapist or assessment specialist. If you believe there has been some kind of violation of the confidentiality or the privacy of your records, speak to our Privacy Officer and Clinic Director, Dr. Anthony Papa, and let us clarify and fix the situation. If you don’t know whom to talk to about a problem ask our Clinic Director for advice.

If you are not satisfied or the problems still continue, please fill out this simple form. I promise you that we will not in any way limit your care here or take any actions against you if you bring a problem to our attention. (Note: You do not have to put your name on this form if you do not want to. Thank you.)
