Psi Chi is the International Honor Society in Psychology. Our Psi Chi chapter provides you with the opportunity to join Psi Chi if you meet certain standards required by Psi Chi and the Association of College Honor Societies (a governing body for college honor societies).

Membership in Psi Chi is an earned honor which is for life. A permanent record of your membership is preserved at the Psi Chi Central Office and may be used for reference purposes such as applications for graduate school and jobs. The Psi Chi Central Office membership fee is $65. This one-time fee is for lifetime membership, a certificate suitable for framing, and a membership card. There are no annual Central Office dues, but each chapter may have chapter dues.

When you are inducted into Psi Chi, you become eligible to wear the Psi Chi honor cord, medallion, jewelry, stole, etc. Copies of Psi Chi’s magazine, *Eye on Psi Chi*, are sent to each chapter for distribution to the members while they are in school. After graduation, members are encouraged to download a PDF (free to all lifetime members) of *Eye on Psi Chi* from the website to keep up with Psi Chi news. Psi Chi members are eligible to present research papers/posters at Psi Chi programs held at Society annual and regional conventions. In addition, members may participate in Psi Chi’s undergraduate and graduate research award and grant programs. Undergraduate members may submit their research for publication in the *Psi Chi Journal of Undergraduate Research*. The names of members are published on the Psi Chi website and are preserved for historical purposes. To obtain more information about Psi Chi and its benefits, visit our website at [www.psichi.org](http://www.psichi.org).

If you are interested in joining Psi Chi, please fill out the form on the other side of this sheet and return it to the Psi Chi chapter officer or faculty advisor listed on the bottom of the form. The chapter will then determine if you are eligible for membership. We look forward to hearing from you.
