Residence Hall Check-in

- If you have submitted a housing application and secured a Residence Hall contract for Fall 2017, you may move in to your permanent assigned housing. On August 19th, please go directly to your assigned Residence Hall per your assigned check-in time.
- Payment for early move-in housing was due on July 24th. Please make sure you do not have any overdue charges on your account on MyNevada.
- Staff in each Residence Hall will run you through the check-in procedure and provide advice on the best option for getting personal property into your assigned Residence Hall room. As soon as the Residence Hall check-in is complete, move your car to the West Stadium Parking Garage (parking in the Sierra Street Parking Garage or other spots next to the residence halls will not be available until Friday, August 25).
- During move-in on Saturday, August 19th, guests are not allowed in the Residence Halls without the student present. At 10:00pm on Saturday, August 19, the residence halls will host mandatory community meetings for all students participating in NevadaFIT. At this time, all early arrival policies and procedures will be in place, including our "no guests" policy. These early arrival policies are in place to enhance the safety and security of our residents and to enable them to fully take advantage of the NevadaFIT experience. **Please note** that the "no guests" policy includes parents and other family members.
- If you will be arriving before August 19th, you will need to arrange for your own lodging accommodations, as Residence Hall move-in for those who have secured on-campus housing will not occur until August 19, 2017.
- All students must be ready to check-in to their NevadaFIT bootcamp by 4pm at Lawlor Events Center.
- Please contact the Housing Office at (775) 784-1113 with any questions.

Important: If you are not living in the residence halls during the 2017-2018 academic year, you are responsible for arranging your own housing during NevadaFIT.
