ACCRA, GHANA ADVISING GUIDE (SEMESTER 2019-20)

The USAC program in Ghana is both a Specialty and Partnership program where you will be enrolled at the University of Ghana (UG) as an international student with access to a number of courses offered (UG Courses), as well as being enrolled in one or more USAC Courses through MyNEVADA. At the end of the program a transcript from the University of Ghana will be sent to USAC and forwarded to the University of Nevada once grades and credits have been converted to the U.S. system. Your USAC Courses will already be on your UNR record.

Courses are subject to change; for the most updated course list visit the general USAC website at usac.edu.
