HIROSHIMA, JAPAN ADVISING GUIDE (SEMESTER)

The USAC program in Hiroshima is a Partnership program where you will be enrolled at and receive a transcript directly from the host university. USAC will assist in transferring those international credits back to UNR. Courses are subject to availability and approval of prerequisites, which are determined by the host university.

You will have access to courses offered in the following departments and disciplines. It is recommended that you get any courses you wish to take abroad pre-approved by your academic advisor—to request course descriptions or syllabi to assist with this process, email syllabus@usac.edu.

**INTERNSHIPS**

Students with a language proficiency level of high-intermediate or higher are eligible to take the Globalization Support Internship Course (by Dr. Tsunematsu). Students are required to pass the ‘Internship Placement Test’ conducted at the beginning of the semester. More information will be available upon arrival during orientation.

**Globalization Support Internship**

The Globalization Support Internship is available to develop Japanese language and theoretical understanding of Japanese society in profession work settings. Recent intern projects have focused on market research of the local industry, facilitating an international exchange historical tour to a local island, planning an international exchange with a local school, working as an international tourism planner. English can be used, but it is prerequisite to have high level of Japanese language proficiency to take the internship courses.
