KALMAR, SWEDEN ADVISING GUIDE (SUMMER)
The USAC program in Kalmar in the summer is a Partnership program where you will be enrolled at and receive a transcript directly from the host university. USAC will assist in transferring those international credits back to UNR. Courses are subject to availability and approval of prerequisites, which are determined by the host university.

You will have access to courses offered in the following departments and disciplines. It is recommended that you get any courses you wish to take abroad pre-approved by your academic advisor—to request course descriptions or syllabi to assist with this process, email syllabus@usac.edu.

LINNEAUS UNIVERSITY AREAS OF STUDY
You will enroll in one course worth 7.5 Swedish/ECTS (approximately 3.75 U.S. credits) during the summer session. Additional courses are not possible. If you require additional credit to meet financial aid eligibility requirements, you should consider seeing if your home university will allow you to take summer credits at home before the Linnaeus program or online. Course options include:

- Discovery of a Sustainable Baltic Sea
- Sustainable Innovation in the Building Sector
- Creativity, Entrepreneurship and Innovation in a Swedish Context
- Development of Products, Services and Experiences
- International Business Simulation (graduate-level course)
- Glass Design
- Nordica Workshops in Cultural Sociology (graduate-level course)
- Writing a Scientific Essay - Genre and Methods, A Preparation for Higher Education
- Human Rights in Historical and Philosophical Perspective
- Outdoor Leisure and Sport in the Swedish landscape
- Beginner’s Swedish, Part 1
