ST ANDREWS, SCOTLAND ADVISING GUIDE (SEMESTER)

The USAC program in St Andrews is a Partnership program where you will be enrolled at and receive a transcript directly from the host university. USAC will assist in transferring those international credits back to UNR. Courses are subject to availability and approval of prerequisites, which are determined by the host university.

You will have access to courses offered in the following departments and disciplines; an * indicates graduate-level coursework may be available in that discipline. It is recommended that you get any courses you wish to take abroad pre-approved by your academic advisor—to request course descriptions or syllabi to assist with this process, email syllabus@usac.edu.
